**NOTE TO DEFENDANT/PETITIONER:** The expungement of your case information from the court's records does not guarantee your case information will be expunged from other sources. Private companies routinely acquire copies of criminal records to sell. Once the record is removed from the court system it may still be available for sale by the private companies. When this happens neither the Court nor the AOC can require the companies to stop selling the information. One course of action you might take is to send the company a certified record check from the clerk's office showing you have no record. Then request the company correct the inaccurate record in its database.
